Transport, Attendance & Integrations

Face Attendance

School Bus tracking

Google / Microsoft Suite

All modules operate within one secure, role-based and configurable platform.

Institutions can activate the modules they need and scale as their requirements grow.

Smart, Intelligent & Connected

High-impact capabilities that differentiate TMBS EdTech

AI Content Creator
Create learning material, quizzes and classroom resources faster.

Holistic Student Report
View academics, attendance, skills activities and student development.

CBSE Marksheet Format
Generate structured, configurable CBSE-style academic reports.

Learning Management System
Deliver courses, content, homework, assessments and live classes.

Face Attendance
Enable fast, contactless staff and student attendance capture.

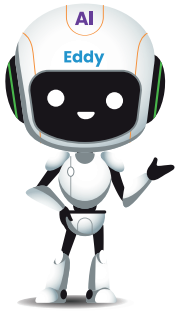

School Bus Tracking
Monitor routes and School Bus location with timely transport visibility.

Offline-Enabled Mobile Modules

Selected functions remain available in limited-connectivity environments and synchronize later.

- Homework
- Content
- Student Attendance
- Staff Attendance
- Notice Board
- Examination

1. Work Offline
2. Store Securely
3. Restore Connectivity
4. Synchronize
